

ISO 14001 Environmental Health & Safety Policy

QSR Jasper strives to excel in its EHS performance. All employees share the responsibility for our EHS success. We are committed to:

- Protecting and preserving our environment, focusing on preventing pollution, and recycling where possible.
 - Complying with applicable EHS legal and other requirements.
 - Continually improving our EHS management and performance using objectives with active, ongoing environmental programs.
 - Providing our associates with a safe place to work, focusing on eliminating preventable injuries and job-related illnesses.
-
